Description of Dakota

Description of

Pursuant to N.D.A.C. § 69-02-05, Timothy and Roberta Wasem, by and through their attorneys Derrick Braaten and Matt Kelly (collectively, "Petitioners"), hereby petition to intervene in the above-captioned proceedings. In support of this petition, Petitioners state and allege as follows:

- The Wasems reside at 8730 1<sup>st</sup> Street SW, Halliday, ND 58636. They received documents
  from Dakota Access, LLC and offers for an easement over their land for the Dakota
  Access Pipeline Project, and have also received repeated requests for survey permission
  on their property.
- 2. The Wasems property will be crossed by the Dakota Access Pipeline Project, and they are concerned about impacts to their land. The Wasems have not yet been able to reach an agreement with Dakota Access regarding an easement on their property, and feel it is necessary to protect their interests by ensuring that they are represented in these

proceedings.

3. Petitioners have a direct and substantial interest in these proceedings, as well as legal

property rights which may be substantially affected by the ND Public Service

Commission's findings and conclusions in this matter. Petitioners are intimately familiar

with the land they own and rent, and can provide the PSC with specific information

related to its routing determination in this proceeding, with respect to their individual

lands.

4. Petitioners are not adequately represented by existing parties, and Petitioners'

intervention would not unduly broaden the issues or delay the proceedings, particularly

given the early nature of the proceedings.

5. Petitioners are not necessarily in support of or opposed to the relief sought by the

applicant in this proceeding, but intend to oppose such relief if it allows Dakota Access to

cross the lands they own and rent in a manner that will cause unnecessary or

unreasonable damage to the land and to their farming operations.
